Overdraft Privilege

Just When You Need It.

Insufficient Funds

A SERVICE FOR OUR MEMBERS

What is Overdraft Privilege?

Overdraft Privilege is a discretionary service designed to help prevent your insufficient funds items from being returned or declined. With Overdraft Privilege, we have the option to cover your overdrafts up to your Overdraft Privilege limit (including fees) if you inadvertently overdraw your account. This can save you the embarrassment and inconvenience of a returned or declined item and the fees normally charged by merchants for items returned to them.

Mid Minnesota FCU may provide you an Overdraft Privilege limit of \$100 when your account is opened. You will receive a letter approximately 30 days after account opening for consumer accounts and 60 days after account opening for business accounts informing you that your Overdraft Privilege limit has been increased to an amount based on the type of account you have. **You do not have Overdraft Privilege limit until you receive this notification.**

Please be aware that the Overdraft Privilege amount is not shown in your available balance, it is not a line of credit and it does not replace existing overdraft options such as drawing funds from another account or line of credit, which may be less expensive alternatives to Overdraft Privilege.

How Does Overdraft Privilege Work?

These are the steps taken when you don't have enough money to cover a transaction:

1. First, we will try to move funds from other overdraft protection sources, such as a savings account or a line of credit.
2. If these resources are unavailable, we may pay the item and overdraw your account up to the amount of your Overdraft Privilege limit (including the overdraft fees).
3. If Overdraft Privilege is utilized, we will charge the standard overdraft fee(s) for each paid item.
4. Finally, you will need to bring your account current within 35 calendar days for at least 24 hours or we will withdraw your Overdraft Privilege.

What Types of Transactions Does Overdraft Privilege Cover?

| Type of Transaction | Covered by Overdraft Privilege? |
|-------------------------------|---------------------------------|
| Checks | Yes |
| ACH - Auto Debits | Yes |
| Recurring Debit Card Payments | Yes |
| Online Bill Pay Items | Yes |
| Internet Banking Transfers | No |
| Telephone Banking | No |
| At the Teller Window | Yes |
| ATM Withdrawals | *Yes |
| Everyday Debit Card Purchases | *Yes |

*You will need to give your advance consent (opt-in) if you want us to authorize and pay overdrafts caused by ATM and everyday debit card transactions. **IMPORTANT: If you do not give us your prior consent, your ATM or debit card transaction may not be authorized if you have insufficient funds in your account.**

How Much Does Overdraft Privilege Cost?

There is no fee for having Overdraft Privilege unless you use it. The Overdraft Fee of \$25 will be imposed for overdrafts created by checks, ACH, point-of-sale, ATM withdrawals, in-person withdrawals, or by other electronic means (if multiple items are presented against your account on the same day, each item will be assessed the appropriate fee). This is the same fee that Mid-Minnesota Federal Credit Union charges for items returned to the payee due to insufficient funds.

What if I Don't Want Overdraft Privilege?

You can request to discontinue the Overdraft Privilege service in its entirety at anytime by contacting us at 218-829-0371. *Without Overdraft Privilege, your insufficient funds items will be returned to the payee and/or declined at the point of purchase. You will be charged the standard NSF fee of \$25 for all returned items.*

Additional Information

Transactions may not be processed in the order in which they occurred and the order in which transactions are received and processed may impact the total amount of fees incurred on your account.

We may not pay items under your Overdraft Privilege if you do not maintain your account in good standing such as:

- not bringing your account to a positive balance within every thirty-five (35) day period for a minimum of one business day;
- if you default on any loan or other obligation to Mid-Minnesota Federal Credit Union; or
- if your account is subject to any legal or administrative order or levy.

Overdraft Privilege does not constitute either a written agreement of an obligation or a prearranged agreement to pay your overdraft. We may withdraw this privilege at any time.
